## Description

This is a SOURCES SOUGHT NOTICE to determine the availability of potential sources to privatize applicable electric, natural gas, water and wastewater infrastructure at two Air Force installations within the Alaska region. Utility systems being privatized include the electric, water and wastewater systems at Galena Air Force Station and King Salmon Air Force Station. A brief description of each system can be found at <http://www.afcesa.af.mil/directorate/CEO/Contracts/UtilPrivatization/UPbidder.htm>. The Contractor(s) shall furnish all facilities, labor, materials, tools, and equipment necessary to own, maintain and operate the utility system(s) in a safe and reliable condition. The Contractor(s) shall manage the maintenance, repairs, replacement, etc., of the system(s) to ensure continuous, adequate, and dependable service for each Government or tenant connection within the service area. Real property interests will be conveyed in the form of a Right-of-Way (ROW) as an attachment to the Request For Proposal (RFP). The utility system(s) will be conveyed via a Bill of Sale upon award of the contract. At this time, no solicitation exists: therefore, DO NOT REQUEST A COPY OF THE SOLICITATION. There may be two RFPs issued based upon level of interest. Offerors having the skills and capabilities necessary to perform the stated requirement are invited to provide information to contribute to this market survey/sources sought including, commercial market information and company information via e-mail or facsimile (703-767-8757) to Mily Le, [mily.le@dla.mil](mailto:mily.le@dla.mil) no later than 26 March 03. Responses should include the following information: company name, address, point of contact, phone number and e-mail address; business size and status such as disadvantaged, 8(a) or HUBZone; corporate affiliations; potential joint venture partners, teaming partners, and/or major subcontractor or (prime). Please direct any questions or concerns to the Contract
